Klober UPDATE Autumn 2016

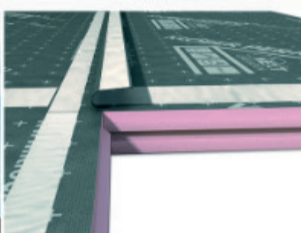

Welcome to the Autumn edition of Klober Update which includes information on Klober dry fixing, lead-free flashings products, a new concept in insulation boards and Merchant & Contractor training.

Dry fixing – the easier and more effective way to fix ridge, hip and verge

With so many problems being caused by poor and inconsistent mortar quality on roofs planned changes in regulations will bring about a major shift towards the use of dry fixing..

We are proud to support SkillBuild 2016

The SkillBuild Roofing final will be taking place at NEC Birmingham this week and it's time to support the young roofers heading to the competition. It's a multi-skilled competition in which the NFRC oversees the roofing element.
